

# Community Resources Guide

(Albany County, WY and Surrounding Areas)

The Laramie Soup Kitchen in consultation with several area nonprofits developed this Guide in the hopes that all organizations and businesses offering assistance to those in need would adopt & distribute this resource.

Please confirm your agency name is included in every category for which you offer services and that your agency description is correct in the alphabetical listing that follows.

To maintain the most accurate information, a revised version will be sent monthly. We encourage you, then, to only print enough copies for distribution this month and replace any remaining copies once the revised file is sent.

- **Booklet** Version: The Guide is designed to be printed as a booklet, just remember to select "flip on short edge" in your duplex print settings, which is not the typical default.
- **Sequential** Version: To print for a 3-ring-binder or to post electronically.

While the maps are in color, they are reasonably legible if printed black/white.

To submit revisions/additions or join the distribution list, email [Resources@LaramieSoupKitchen.org](mailto:Resources@LaramieSoupKitchen.org) by the 25<sup>th</sup> of each month. Note: This email is only checked toward the end of each month.

A reference guide of nonprofit and government resources available in Laramie, WY (Albany County) and many throughout the surrounding region including Cheyenne (Laramie County), Rawlins (Carbon County), and Fort Collins, CO.

**Print Date:** February 6th, 2025

NATIONAL SUICIDE PREVENTION LIFELINE

**CALL: 988**

OR

**CALL: 1-800-273-TALK (8255)**

**TEXT: WYO TO 741-741**

A graphic for the National Suicide Prevention Lifeline. It features a green background with a white mountain range silhouette at the bottom. On the left, a black banner contains the text "WITH HELP COMES HOPE" in white. Below this, the text "The Lifeline is FREE, confidential, and always available." is written in white. At the bottom left, the slogan "We can all help prevent suicide." is written in yellow. On the right side, the text "NATIONAL SUICIDE PREVENTION LIFELINE" is displayed in large, bold, black letters, with "SUICIDE" being the largest. Below this, the phone number "1-800-273-TALK (8255)" and the website "suicidepreventionlifeline.org" are listed in white text on a green background.

# Laramie Bicycling Information

## TIPS FOR THE ROAD

---

Bright, reflective clothing increases visibility. Use a helmet to protect your brain! Your helmet should be snug but not tight. It should sit level on your head (not tilted back) with the front edge no more a width of approximately 2 fingers above your eyebrows.

Be aware of low angle sun during fall and spring as motorists may not see you.

Use hand signals to let pedestrians, cyclists and drivers know your intentions. Make eye contact with motorists to make sure they are aware of your presence.

Take the full travel lane if the road is too narrow for motorists to pass. Avoid weaving around parked cars. Riding predictably increases safety for all roadway users.

Be aware of your surroundings. Avoid using earphones, texting or talking on a cell phone while riding.

"Sharrows" (shared roadway markings) are placed on roadways that are links in the bicycling network. They indicate where bicyclists can ride safely and alert motorists to the presence of bicyclists.

When biking in a park or shared use path, be mindful of other path users. Paths are designed for low speed use. Stay to the right when using a path. Pass on the left and use an audible warning when passing. Ride single file during congested conditions.

Cross railroad tracks at a 90° angle (perpendicular). Tracks can be slippery when wet. Ride around storm and sewer gratings.

Securely lock your bike with a U-lock or cable lock. Secure detachable items and leave your bike where others can keep an eye on it.

Bikes operated or parked on UW property are required to have a \$5 permit, which can be acquired through the UW Police Department.

## TRAFFIC LAWS

---

In Wyoming, a person riding a bicycle has all the rights and responsibilities as a motor vehicle driver. Obey all signs, lane markings and traffic control devices.

Stop at stop signs and red lights. Yield to pedestrians. The posted speed limit should be obeyed by all roadway users.

Keep at least one hand on the handlebars at all times.

Persons riding bicycles upon a roadway shall not ride more than two abreast except on paths or lanes of roadways set aside for the use of bicycles.

Avoid bicycling while under the influence of alcohol or controlled substances. Violations are the same for cyclists and motorists.

Every person operating a bicycle upon a roadway shall ride as near to the right side of the roadway as practicable (or safe).

Bicycling on sidewalks is prohibited except where the sidewalk is part of a designated and marked bicycle path.

A front white light (emitting >500') and rear red reflector attached to the bicycle are required when bicycling at night.

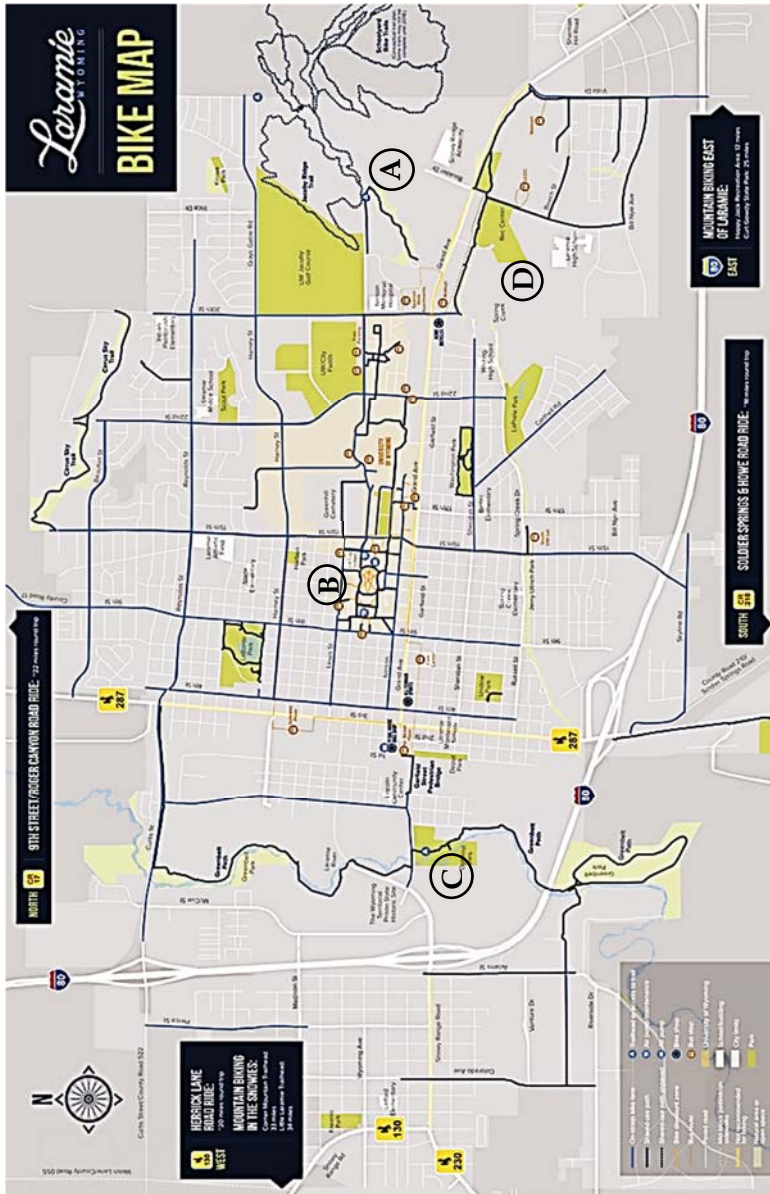

Every bicycle shall be equipped with a brake which will enable the operator to make the braked wheels skid on dry, level, clean pavement.

## HAND SIGNALS FOR TURNING

---

Full Map of Laramie bike routes. Each letter shows a specific area of town's bike trails and thoroughfares.

**A** The School Yard has many biking trails. It is easiest to park at the end of East Willett Dr.

**B** The UW campus is very bike friendly, though be mindful of dismount zones.

Ⓒ The Greenbelt Path also called the Laramie River Walk, is easiest to access by parking at Optimist Park and biking north or south from there.

Ⓓ There is a bike path that begins behind Ridley's and goes all the way to Walmart.

LaramieBikeNet.org

Many streets in Laramie have a bike lane, including Iverson Ave., Harney St., 4<sup>th</sup> St., and 9<sup>th</sup> St.  
Cycling is **not recommended** on Grand Ave. or 3<sup>rd</sup> Street.
